Greeting

As we enter upon a new year, let the PATRONS of old Androscoggin not only make good resolutions, but maintain a spirit of activity that calls for all that is best.

Let us not forget the precepts of our order, and endeavor to make 1931 our best year. United in our labor and standing shoulder to shoulder we should not fail in this.

Flag Salute

I pledge allegiance to my flag and to the republic for which it stands; one nation indivisible. with liberty and justice for all.

To him who, in the love of nature, holds
Communion with her visible forms, she speaks
A various language; for his gayer hours
She has a voice of gladness, and a smile
And eloquence of beauty; and she glides
Into his darker musings with a mild
And healing sympathy, that steals away
Their sharpness, e'er he is aware.
